COURSE OFFERINGS
FALL 2024

CSP sections are designed for students who want to be certain they develop a thorough understanding of course material. Students enrolled in these sections receive increased individualized attention and student-centered instruction. Extra time is provided for in-depth analysis of central concepts.

Students are encouraged to discuss their intended course schedule with their CSP advisor prior to registering. Please make an appointment to see an advisor by scheduling online or calling (734) 764-9128.

Each CSP section has seats reserved for one or more enrollment requirement groups. You must meet the conditions for at least one of the requirement groups in order to enroll. Please note that you may belong to more than one group. Following the early registration period, any remaining seats will become available to any CSP student beginning on **August 5**.

If a section is closed, you can join the waitlist maintained in Wolverine Access. If you join a waitlist, you will need to contact the instructor to obtain permission to enroll. ***Once classes begin,*** enrollment into a CSP section is by permission of the instructor only. Please contact the instructor for further details.
