

Korea Kit Contract & Registration Form

Teacher Resources: <http://ii.umich.edu/ncks/resources/educationalmaterials>

The Korea Kits are a collection of artifacts, readings, activities and lesson plans to explore different aspects of culture and life in Korea. They are designed to complement elementary through high school lessons, and are available to all educators, including those in home school communities. Besides social studies, language arts and Korean language classrooms, these materials may also interest teachers of art and music. The Korea Kits are grouped into the following themes:

Folk Tales, Games and Cross-Cultural Experiences
Customs and Traditions
Food, Art and Music
History and Contemporary Society
Kindergarten

The Korea Kits are free to use. The Center for Korean Studies pays the one-way shipping cost; the user agrees to return the Korea Kit at their own expense. Please email all inquiries to outreachkorea@umich.edu.

The Nam Center does not assume responsibility for the requested items not meeting the user's educational requirements. If you are interested being loaned a Korea Kit, please fill and sign the section below out this form. Nam Center for Korean Studies is sending the Korea Kit items in reliance on your agreement to pay \$50.00 in the event that the items are either damaged or lost. By signing this form, you hereby agree to the terms and conditions as set forth in this agreement.
