QMSS 451

SENIOR CAPSTONE: SOCIAL SCIENCES STUDY MANAGEMENT

In this capstone experience, students will learn to manage projects through the four quarters of the QMSS quadrant: Question, Method, Study, Solution.

Students work as teams on projects addressing social science questions using both consultant and analyst roles with real organizations. The course includes feedback and support through weekly project management training sessions.

FAQs

- Intended for seniors
- Must have declared the QMSS minor
- Enforced prerequisites of QMSS 201 and QMSS 301
