

KNOW B4 U GO (BLUE) PREVIEW VIST RESEARCH INTEREST FORM

APPLICANT FULL NAME:

1.	Please briefly describe your interest in attending the University of Michigan for graduate school and how it fits with your educational and professional goals.
2.	Please briefly tell us about previous research experiences you have had and/or your current research interests.

3.	Describe an academic or other experience which you have found particularly valuable and enjoyable. You are welcomed to describe classes and/or volunteer or extracurricular activities.
4.	Please identify up to three University of Michigan faculty members from your selected U-M program(s) of interest who you could see as potential mentors and briefly explain why (shared thematic, disciplinary, and/or research interests).
