

Degree Requirements: Translation Studies Minor

Prerequisites. There are no prerequisites to the minor.

Minor Program Requirements. The Minor in Translation Studies requires a minimum of 15 credits of courses, at least two courses in Comparative Literature, and a minimum of 12 credits in upper-level courses.

- Comp Lit Translation Core (3 credits): either *COMPLIT 200: Translation Across Disciplines* or *COMPLIT 322: Translating World Literatures*.
- Language (3 credits): An upper-level course (taught at the University of Michigan or taken for credit during Study Abroad) that develops skills in a language that the student will use for the capstone translation project. As a rule, an approved course plan for the Minor in Translation Studies will include at least one upper-level course in a second language. However, students interested in translating across different media, technologies, or disciplines may petition for exception to the language rule, by proposing an upper-level course that develops other skills relevant to the capstone translation project.
- Translation Electives (6 credits): Two upper-level courses with a central component on translation (taught in any department at the University of Michigan, or taken for credit during Study Abroad). Students may select courses from a pre-approved list, or propose courses for approval (with an explanation of the translation component and its relevance to their course plan for the Minor).
- Capstone Experience (3 credits): A capstone project may be completed via *COMPLIT 494: Translation Practicum* and/or *COMPLIT 497: Translation Studies Undergraduate Capstone*.

Grade Policies. No course will count towards the academic minor in Translation Studies unless the student receives a grade of C- or better.
