

Center for Russian, East European, and Eurasian Studies (CREES)

Fall 2015 Courses

The following list includes courses relating to Russia, Eastern Europe, and Eurasia, many of which can be applied to REES undergraduate and graduate degrees. REES related courses require approval from the REES advisor to count towards the concentration and minors. Independent study and directed reading courses may also be used toward a REES degree when appropriate. Please consult the LSA Course Guide (<http://www.lsa.umich.edu/cg/>) and relevant department for details. Other courses may satisfy geographic or discipline distribution requirements with advisor approval.

Please note that only courses labeled 300 and above can count towards the REES concentration. The REES senior seminar requirement may be satisfied by any class meeting the following requirements: 1) it must be small (fewer than 25 students); 2) it must emphasize discussion rather than lecture; and 3) it must have a substantial writing requirement.
