

STATE OF MICHIGAN

SPECIAL TRIBUTE

ON BEHALF OF THE PEOPLE OF MICHIGAN
I, Rick Snyder, governor of Michigan, do hereby pay special tribute to

GEORGE A. FULTON

LET IT BE KNOWN, That it is my distinct honor to recognize George A. Fulton upon his retirement. With the commitment he has shown to our state throughout his career, he has exhibited the highest standard of citizenship, professionalism and leadership.

George has been forecasting economic and fiscal activity in the state of Michigan for the last thirty years. He received his Ph.D. in economics from the University of Michigan and is currently the director at RSQE as well as research professor at the University of Michigan's Institute for Research on Labor, Employment and the Economy, where he is director of the Center for Labor Market Research. He has been a principal advisor on the economy to the State of Michigan, including the Senate and House Fiscal Agencies, the legislature, and the Administration (the Office of the Governor, the State Treasurer, and the State Budget Director). He has provided testimony on the economic and revenue outlooks at the Michigan Consensus Revenue Estimating Conference in January and May each year, which is integral to establishing the resources available for future state spending. Each November, since 1984, he has given a keynote presentation at the Governor's Economic Outlook Briefing. In 2015 he was appointed by the State Treasurer and is currently serving as Chair of three principals to the City of Detroit Consensus Revenue Estimating Conference. Although his accomplishments are too numerous to name, his work ethic, adept problem solving ability and positive attitude have made a tremendous impact. It is my hope that George will utilize this occasion as an opportunity to reflect on his outstanding career as well as many successes. I am certain that our state will long reap the rewards of his many positive contributions for years to come.

IN SPECIAL TRIBUTE, Therefore, on behalf of the people of Michigan, this document is signed and dedicated to recognize George Fulton. May he know of our gratitude and admiration and accept our warm wishes for continued health and happiness in the years ahead.

A handwritten signature in blue ink that reads 'Rick Snyder'.
