Please list previous English courses

Previous courses relevant to the proposed study (English and courses in other departments)

Past independent study projects, if any, including supervising professor's name and topic of study:

On a separate sheet, attach your numbered responses to the following:

1. Title of your proposed course topic.
2. List of the texts you plan to read.
3. Tentative meeting schedule with your supervising faculty member and expectations about in-person/virtual contact and other communication plans. Describe the work, including writing assignments, you plan to do for this course as well as your understanding of grading/evaluation in the course.
4. Answer the question: Why do you propose to undertake this independent study rather than taking a regular scheduled/group course?
