

About Parking

GENERAL INFORMATION
 This map is designed as a guide to available parking at the University of Michigan. Parking areas are identified with signs indicating the type of lot and hours of enforcement. The use of all lots and structures is subject to change. It is recommended that signs, installed at the entrance to every lot and structure, be observed to confirm area use.

Disability Parking

To use accessible (handicapped) permit parking faculty, staff (regular and temporary) and students must display all of the following permits during enforcement hours:

- A state-issued disability placard/license plate
- Applicable U-M parking permit or device
- A U-M permit for accessible parking

After enforcement hours, only a state-issued disability placard/license plate is required.

For assistance in obtaining the proper U-M permits, contact Parking Customer Services at (734) 764-8291 or umpark@umich.edu.

GUESTS, VISITORS & PATIENTS

Accessible parking is available in all metered and cashier-attended parking areas. A state-issued disability placard/license plate must be displayed. Payment of the prevailing hourly parking fee is required, unless the individual's state-issued disability permit has an official FREE PARKING designation.

If a guest or visitor wishes to park in the University's Blue, Yellow or Orange parking areas during enforcement hours, they may contact the U-M department hosting their visit for assistance.
