MISSION

Amnesty International researches and exposes human rights abuses, mobilizes global pressure, and drives policy change to prevent and end grave violations, upholding the Universal Declaration of Human Rights for everyone.

SOCIAL MEDIA

- Designed an accessible page directing users to Amnesty International campaigns and reports
- Promoted awareness of the Write 4 Rights campaign through targeted posts highlighting individual cases
- Shared and disseminated information about various Write 4 Rights events to increase engagement

URGENT ACTION LETTERS

The Amnesty International Urgent Action Network is a compilation of letters designed to defend people in communities whose human rights are under direct threat. The letters are addressed to various government officials to call for immediate action and hold them accountable for these injustices.

IN TOTAL, WE WROTE
27 LETTERS.

DIALOGUE + MOVIE SCREENING

- Members of GSP were invited to join our dialogue, an open and honest dialogue designed to encourage deeper, considered thinking about Freedom of Expression and Protest
- We also hosted a documentary screening (After Ulvade) open to everyone. We discussed the topic of Gun Violence and how it impacts children and local communities.
