Department of Classical Studies, University of Michigan
 435 S. State St., Ann Arbor, MI 48109-1003

CURRENT POSITION:

2022- Assistant Professor, Department of Classical Studies

2025- Assistant Curator, Kelsey Museum of Archaeology

EDUCATION:

2011 University of Cambridge, PhD in Archaeology. Dissertation title: "The seed of the Roman State. Archaeobotanical assemblages from Archaic Rome".

1998 University of Cambridge, Certificate of Post-Graduate Studies in Environmental Archaeology.

1994 University of Pisa, Laurea in Roman Archaeology. Thesis title: "Il sito tardo antico di San Mario. Ricostruzione ambientale e quadro archeologico".

PREVIOUS ACADEMIC POSITIONS:

2022-2024 Assistant Professor, Program in the Environment (PitE), University of Michigan.

2016-2022 Research Specialist Intermediate, Kelsey Museum of Archaeology, University of Michigan.

2010-2022 Lecturer I and II, Department of Classical Studies, University of Michigan.

2018 and 2019 Department of Environmental Biology, University of Rome "La Sapienza", Visiting Professor, Guest Instructor, December 5-22 and 4-20.

2017 and 2018 Rome Summer Program Director, CGIS, University of Michigan.

2016 Lecturer I, Program in the Environment, University of Michigan.

2012-2015 Assistant Research Scientist, Museum of Anthropological Archaeology, University of Michigan.

2008-2014, 2017 Lecturer I, Department of Anthropology, University of Michigan.

2007-2012 Research Investigator, Kelsey Museum of Archaeology and Museum of Anthropological Archaeology, University of Michigan.

2002-2007 Research Associate, Research Laboratories of Archaeology, University of North Carolina at Chapel Hill.

1997-2001 Lecturer, Department of Archaeology, University of Siena.

2000 Lecturer, Monte Amiata Technical College in Cultural Resource Management.

LAB POSITIONS:

2024 Director, CERES Lab: Culture and Environment archaeological REsearch, University of Michigan,

2023- Director, Archaeobiology Lab, Kelsey Museum of Archaeology, University of Michigan.

2016-2023 Co-director for Archaeobotany, Archaeobiology Lab, Kelsey Museum of Archaeology. University of Michigan,
 2007-2015 Research Investigator, Ethnobotany Range, Museum of Anthropological Archaeology, University Michigan.
 1997-2001 Manager of the Environmental Archaeology lab, University of Siena.
 1995-1997 Manager of the Environmental Archaeology lab, Department of Classical Studies, University of Rome “La Sapienza”.

GRANTS:

ESSELUNGA “Vigna Murata Project” (2024-2026), PI, award amount \$88,000.
 UM Bioscience Initiative (2023). “WET wetlands for carbon sinks”, CoPI, award amount \$450,000. Declined.
 EOS (Excellence of Science) (2022-2026). “AGROS. Agriculture, diet, and nutrition in Greco-Roman Egypt” PI, award amount Euros 3,730,865. Project spokes-person P. Erdkamp, VUB.
 LOEB Foundation (2023-2024). “Geoarcheology of the Roman Forum”, CoPI, award amount \$27,224.
 AIA-NEH Grant for Archaeological Research (2021-23). “Herding, Husbandry and the City: Stable Isotope Analysis of Gabii’s animals”, PI, award amount \$10,805.
 LOEB Foundation (2019-2020). “Geoarcheology of the Tiber valley”, CoPI, award amount \$28,000.
 FWO (Flemish Scientific Council) (2018-2021). “Rethinking Roman Nutrition. Nutritional biochemistry and stable isotope chemistry of cereals and pulses from Roman Egypt”. CoPI. Award amount Euro 310,000.
 Gerda Henkel Foundation (2018-2019). “Geoarcheology of the Tiber valley”, CoPI, award amount \$12,650.
 UM Humanities Collaboratory Proposal Development Grant (2016). “Karanis: a holistic approach to an ancient village”. Participating Investigator.
 NSF award #1264315 (2013-2016). “Paths to Bronze Age Complexity: Tracking the Rise of Pecica Santul Mare”, Participating Investigator. Award amount 377,920.00.
 NSF award #1259122 (2013-2014). “State Formation and Urbanization in EIA Rome: Investigating the Role of the Exchange and Human-Environment Interactions”, CoPI, award amount 244,000.
 St John’s College, Cambridge. Research Support Grant (1999 and 2000).
 Earthwatch Institute Grant (1994-1996). “Etruscan Farms Project”, CoPI, award amount \$65,000.

AWARDS and SCHOLARSHIPS:

BriAS - Brussels Institute for Advanced Studies, invited Residential Fellowship (Spring 2023)
 Honored Instructor Award, Michigan Housing (2023)
 SUCCEED Faculty Award, University of Michigan (2023).
 LSA SRP Award “Mapping the bioavailable Sr and O iso-scape of Central Italy” (2023).
 Abrams Sustainability funds, University of Michigan (2015 and 2016).
 Lecturers’ Professional Development Fund, University of Michigan (2016).

Outstanding Research Mentor Certificate, Undergraduate Research Opportunity Program, University of Michigan (2012).

Benefactors' Scholar, St John's College, Cambridge (1999-2001).

AHRB, British Academy, doctoral studentship in the Humanities (1999-2001).

European Student Bursary, European Trust (1997-1998).

Molly Aylwin Cotton Foundation pre-doctoral Research Scholarship "Daniela Fusaro", British School at Rome. Research project: "Volterra e il suo territorio nella tarda antichità. Un tentativo di storia ambientale" (1995-96).
