

DEAN'S DISCRETIONARY STRATEGIC FUND

Working together to reimagine the world and create positive, purposeful change

The College of Literature, Science, and the Arts has long been a leader in liberal arts excellence. Our research pushes the boundaries of our understanding of the human experience and the natural world, to help imagine and create the world as it needs to be. Our teaching empowers students to pursue their curiosity with intellectual rigor and a sense of purpose and empathy. With this foundation, LSA students, faculty, and alumni harness the power of wonder to make the big discoveries and to impact positive transformation in our local communities, the state of Michigan, the nation, and the world.

A gift to the unrestricted Dean's Discretionary Strategic Fund is a powerful investment in the leadership and vision of the college. Your partnership provides the dean the flexibility to bring LSA's boldest and most original ideas to life now.

From game-changing research that matters, to collaborative and interdisciplinary university-wide initiatives with LSA faculty in the lead, to innovative programs and pedagogy, to evidence-driven support of our students' well-being and academic success, the Fund will drive creativity, connect our rich past to a boundless and bright future, and ensure that LSA's strong legacy of exploration endures.

WAYS TO FUND YOUR GIFT

Wills, estate, and planned gifts allow you to create a lasting legacy that will enable the best and brightest minds to experience a liberal arts education, solve problems in a changing world, and yield ideas and innovations that will make a difference in Michigan and around the globe.
