

## DEAN'S DISCRETIONARY STRATEGIC FUND

Working together to reimagine the world and create positive, purposeful change

The College of Literature, Science, and the Arts has long been a leader in liberal arts excellence. Our research pushes the boundaries of our understanding of the human experience and the natural world, to help imagine and create the world as it needs to be. Our teaching leads students to explore their curiosity with intellectual rigor and a sense of purpose and empathy. With this foundation, LSA students, faculty, and alumni harness the power of wonder to make the big discoveries and to impact positive transformation in our local communities, the state of Michigan, the nation, and the world.

A gift to the unrestricted Dean's Discretionary Strategic Fund is a powerful investment in the leadership and vision of the college. Your partnership provides the dean the flexibility to bring LSA's boldest and most original ideas to life quickly.

From game-changing research that matters, to collaborative and interdisciplinary university-wide initiatives with LSA faculty in the lead, to innovative programs and pedagogy, to evidence-driven support of our students' well-being and academic success, the Fund will drive creativity, connect our rich past to a boundless and bright future, and ensure that LSA's strong legacy of exploration endures.
