**Whereas**, the mission of the College of Literature, Science, and the Arts Student Government (hereafter LSA SG) is to “actively seek the voices of LSA students and advocate their interests to improve academic and non-academic life”;<sup>1</sup> and,

**Whereas**, the Sexual Assault Prevention and Awareness Center’s (hereafter SAPAC) mission is in line with LSA SG’s mission of improving non-academic life for students, providing a strong basis for stable, continued partnerships and ally-hood; and,

**Whereas**, The University of Michigan Report on Sexual Assault and Sexual Misconduct found that 22.5% of undergraduate females and 6.8% of undergraduate males were survivors of some form of sexual assault on University of Michigan’s campus<sup>2</sup>; and,

**Whereas**, the University of Michigan-Ann Arbor (hereafter the University of Michigan) is not immune to sexual assault, as noted by University of Michigan’s inclusion on the Title IX watch list for sexual assault investigations as of February 1, 2014<sup>3</sup>; and,

**Whereas**, the University of Michigan 2017-2018 Annual Security Report & Annual Fire Safety Report, released in September, revealed that between 2015 and 2016 reports of sexual assault to SAPAC rose from 124 to 125, and reports of sexual harassment rose from 25 to 60<sup>4</sup>; and,

**Whereas**, despite its relatively low levels of funding SAPAC has worked tirelessly to prevent sexual assault, educate the student body, and provide the necessary resources for a safer campus at the University of Michigan for nearly 30 years; and,

**Whereas**, SAPAC, in order to accomplish its mission, has a variety of different programs focused on primary, secondary, and tertiary sexual assault prevention, including The Consent, Outreach, and Relationship Education (CORE) program, The Bystander Intervention & Community Engagement (BICE) program, and The Networking, Publicity, and Activism (NPA) program; and,

**Whereas**, CORE focuses on primary prevention of sexual assault, working to prevent sexual and gender-based violence before it happens in a community, through workshops and events designed to educate the campus community on consent and healthy relationships; and,

**Whereas**, BICE focuses on secondary prevention of sexual misconduct, or preventing a harm right before it happens by educating communities on bystander intervention, equipping students with the necessary tools to intervene in potentially dangerous situations to establish a safer campus community; and,

**Whereas**, NPA focuses on tertiary prevention of sexual misconduct and violence, doing the work that needs to be done in a community after harm has occurred, namely by promoting awareness, empathy, and understanding for the survivor experience, voice, and common reactions, as well as educating the campus community on how to be supportive of survivors through a variety of avenues; and,

**Whereas**, LSA SG has allocated funds to SAPAC every semester since Winter 2016<sup>5</sup>, and the continued allocation of a portion of LSA SG's funds to SAPAC shows a united student voice that takes a stance against sexual assault and misconduct of any kind.

**Be it therefore resolved**, LSA SG approves a \$1,000 donation to the SAPAC General Fund from the LSA SG General Discretionary Fund, to be split by SAPAC between the CORE, BICE, and NPA programs at SAPAC's discretion; and,

**Be it finally resolved**, the Treasurer of LSA SG will immediately move to transfer the funds to SAPAC.
