- for next semester. It is an amazing opportunity because our vice chair held it
- c. Farah: Thanks for running and staying, Tyler wishes he could be here. Internals were way better this year than previous years, and we should be proud. Splitting into two meetings worked well. If you did not get the position you wanted, there is so much you can still do! Go to committees and get experience. If you know someone who wants a position, reach out to support. There are projects bringing thrift stores to our campus. Reach out with questions. There will be leadership transition meetings coming.
 - d. Cohen: If anyone wants a walking buddy please ask your friends! We can help you find a friend if you want. If you are feeling sad, it can be hard but most of us have been there. Feel free to reach out to exec! You will all be so successful.
