

The Actuarial Mathematics Program is designed to provide broad training in the basic mathematics underlying the operations of private and social insurance and employee benefit plans. The courses are organized to assist the student to prepare for several of the examinations of the Casualty Actuarial Society and the Society of Actuaries.

Non-credit review classes for some of the professional actuarial examinations are organized each term; ask your actuarial advisor about the time and place of these classes. It is strongly recommended that some of these exams be passed before graduation. Summer internships are an important component of the educational program, and students are strongly encouraged to seek an internship no later than the conclusion of their junior year.

The major program must include at least eleven courses: 4 basic courses (II), special Actuarial Mathematics courses (III), and 2 related courses as described below (IV).

I. *Prerequisites (5 courses)* {must be completed with C- or better}

Instructions	Course(s)	Student Elections (enter your course selections here)
Select <b>one</b> of the following <b>pairs of introductory mathematics courses</b> :	215 & 217 285 & 217 295 & 296	1. _____ 2. _____
Select <b>both</b> of the following <b>Econ courses</b> :	Econ 101 & Econ 102	3. _____ 4. _____
EECS 183 or working knowledge of a high level computer language (Fortran, C, or C++)	EECS 183 or working knowledge	5. _____

II. *Basic Courses\*\* (4 courses)* {must be completed with C- or better}

Instructions	Course(s)	Student Elections (enter your course selections here)
Select <b>one</b> of the following <b>Differential Equations</b> courses:	Math 286 or Math 316	1. _____
Select the following <b>Probability</b> course:	Math 425 ( <i>min grade C-</i> )	2. _____
Select the following <b>Statistics</b> course:	Stats 426	3. _____
Select <b>one</b> of the following <b>Analysis</b> courses:	Math 351 or Math 451	4. _____

\*\*More advanced students, such as those who have completed Math 396, may substitute higher level courses with the approval of a departmental advisor.

III. *Special Actuarial Courses\*\* (5 courses)*

Instructions	Course(s)	Student Elections (enter your course selections here)
Select <b>all</b> of the following <b>Actuarial</b> courses:	Math 423 Math 424 ( <i>min grade C-</i> ) Math 520 Math 523	1. _____ 2. _____ 3. _____ 4. _____
Select <b>one</b> of the following <b>Actuarial</b> courses:	Math 521 or Math 524	5. _____

*\*\*The special **Actuarial Mathematics** courses must include Math 423, Math 424, Math 520, Math 523, and at least one of Math 521 or 524. Note that Math 520 and 523 are offered only in the Fall terms. Similarly, Math 521 and 524 are offered only in the Winter terms. Moreover, these courses have important prerequisites; thus, careful planning is essential. Students are strongly encouraged to meet with an advisor to plan their path through the major.*

IV. *Advanced Courses\*\* (2 courses)*

Instructions	Course(s)	Student Elections (enter your course selections here)																								
Select <b>two</b> of the following <b>Advanced</b> courses:	<table border="0"> <tr> <td>Math 422</td> <td>Phil 361</td> </tr> <tr> <td>Math 462</td> <td>Phil 414</td> </tr> <tr> <td>Math 623</td> <td>Phil 429</td> </tr> <tr> <td>Econ 401</td> <td></td> </tr> <tr> <td>Econ 402</td> <td>*Finance 408 AND 409</td> </tr> <tr> <td>Econ 409</td> <td>(1.5 credits each)</td> </tr> <tr> <td>Econ 452</td> <td></td> </tr> <tr> <td>Fin 302</td> <td>*All accounting courses</td> </tr> <tr> <td>Fin 317</td> <td>300 and above, except</td> </tr> <tr> <td>IOE 310</td> <td>471</td> </tr> <tr> <td>IOE 452</td> <td>*Some Statistics courses</td> </tr> <tr> <td></td> <td>numbered above 400</td> </tr> </table>	Math 422	Phil 361	Math 462	Phil 414	Math 623	Phil 429	Econ 401		Econ 402	*Finance 408 AND 409	Econ 409	(1.5 credits each)	Econ 452		Fin 302	*All accounting courses	Fin 317	300 and above, except	IOE 310	471	IOE 452	*Some Statistics courses		numbered above 400	1. _____ 2. _____
Math 422	Phil 361																									
Math 462	Phil 414																									
Math 623	Phil 429																									
Econ 401																										
Econ 402	*Finance 408 AND 409																									
Econ 409	(1.5 credits each)																									
Econ 452																										
Fin 302	*All accounting courses																									
Fin 317	300 and above, except																									
IOE 310	471																									
IOE 452	*Some Statistics courses																									
	numbered above 400																									

*\*\*Some, but not all, of the courses numbered 300 and above offered by Accounting, Computer Science, Economics, Finance, Industrial and Operations Engineering, and Statistics are appropriate here.*

*Actuarial Mathematics students interested in receiving VEE credits from the Society of Actuaries are encouraged to elect ACC 300 and FIN 302 for their related courses.*

*Other courses may sometimes be appropriate and in all cases **approval of an advisor in Actuarial Mathematics is required.***
