

CURRICULUM VITAE

B. Holly Smith, Ph.D.

Department of Anthropology
The George Washington University
Washington DC 20052

Museum of Anthropological Archaeology
The University of Michigan
Ann Arbor, Michigan 48109 USA

E-mail: bhsmith@umich.edu
Google scholar: http://scholar.google.com/citations?user=3wH_Yp8AAAAJ&hl=en
ResearchGate: https://www.researchgate.net/profile/B_Smith4/contributions
Researcher ID: <http://www.researcherid.com/rid/C-4984-2008>
ORCID ID <http://orcid.org/0000-0001-5126-5445>
Web site: <https://sites.google.com/site/bhollysmith/home>
Twitter: <https://twitter.com/LemurLove2>

Telephone: 734- 764- 0485 (secretary)
Fax: 734- 763- 7783

Education

B.A. University of Texas, Austin, 1975 (Anthropology)
M.A. University of Michigan, Ann Arbor, 1976 (Anthropology)
Ph.D. University of Michigan, Ann Arbor, 1983 (Anthropology)

Employment

Research Assistant (1978-83) and Research Investigator (1983-84) in the Center for Human Growth and Development, the University of Michigan (with Stanley M. Garn).
Visiting Assistant Professor in the Department of Anthropology, Arizona State University, academic year 1984-85.
Assistant Research Scientist in the University of Michigan Museum of Anthropology, 1983-88.
Associate Research Scientist in the University of Michigan Museum of Anthropology, now the Museum of Anthropological Archaeology, 1989-present.
Research Professor in the Department of Anthropology, The George Washington University, March 1, 2018

Teaching Experience

Teaching Fellow for Statistics 402, "Statistics and Data Analysis," The University of Michigan, two terms 1976-77
Teaching Fellow for Anthropology 131, "Introduction to Biological Anthropology," The University of Michigan, three terms, 1977-78
Anthropology 101, "Human Origins and Development of Culture," Arizona State University, two terms, 1984-85
Anthropology 452, "Dental Anthropology," Arizona State University, 1984
Anthropology 591, "Primate Evolution," Arizona State University, 1985
Visiting lecturer in Occlusion 523, "Development of Occlusion," University of Michigan Dental School, 1991-94
Visiting lecturer in University of Michigan classes:
Anthropology 570, 2009
Geology 438 "Primate Evolution" 2010

Geology 100 "Primate Evolution" 2010-2012 (substituted January-February, 2012)
 Anthropology 399 Anthro-Bio Honors Independent Study, 4 terms, 2013-2014

Research Support

National Science Foundation Dissertation Improvement Award BNS-7921733 for project entitled "Interpreting Patterns of Human Tooth Wear"-- \$4,852.
 National Science Foundation Award BNS-8406421 for project entitled "Quantitative Analysis of Dental Attrition"-- \$39,995.
 National Science Foundation Award BNS-8717738 for project entitled "Dental Development in Monkeys, Apes, and Humans"-- \$31,014.
 National Science Foundation Award BNS-9020974 for project entitled "Evolution of Dental Development in Anthropoid Primates"-- \$45,306.
 University of Michigan Office of the Vice-President for Research; 1993 award in support of project entitled "The Dentition in the Evolution of Life History"-- \$2,880
 National Science Foundation Award SBR-9408408 for project entitled "The Dentition in the Evolution of Life History"-- \$50,458.

Dissertation

1983 *Dental Attrition in Hunter-Gatherers and Agriculturalists*. C. Loring Brace, Chairman;
 284 pp.

Professional Memberships

American Association of Physical Anthropologists
 Dental Anthropology Association
 International Association of Paleodontontology

Professional Service

Associate Editor, *American Journal of Physical Anthropology* 1987-92
 Secretary-Treasurer, Dental Anthropology Association 1988-90
 Associate Editor, *Journal of Human Evolution* 1990-93
 Advisory panel member, National Science Foundation Directorate for Biological, Behavioral and Social Sciences 1990-92
 Student Prize Committee, American Association of Physical Anthropologists annual meeting, 1993
 Associate Editor, *Evolutionary Anthropology* 1995-97
 Advisory panel member, National Science Foundation Directorate for Social, Behavioral and Economic Sciences: Six panels bridging 2014, 2015, and 2016
 Steering Committee member, Dental Anthropology Association, spring, 2017
 Faculty Science Advisory Committee member, University of Michigan Museum of Natural History; three year term (2017-2019)
 Scientific panel member, 17th International Symposium on Dental Morphology, meeting in Bordeaux, France, October 4-7, 2017
 Prize committee, 17th International Symposium on Dental Morphology, meeting in Bordeaux, France, October 4-7, 2017
 Workshop Committee member, Dental Anthropology Association, spring, 2018

Forensic work

Expert opinion for the Office of the Siskiyou County Public Defender, California, March, 1992.
 Assessed dental development of an immigrant to determine whether ID birth date of 18 could

be in serious error, in turn, whether the accused was a juvenile or adult at the time the crime, a death penalty offense.

Students

Supervisor for undergraduate anthropology honor student:

Ali Rae Cohen (BS with high honors, 2014)

Graduate Committee member or co-chair for:

Alice Hauessler, Department of Anthropology, Arizona State University (Ms. 1985)

Argyro Polychronopoulos, University of Michigan School of Dentistry (Ms. 1989)

Robert L. Tompkins, Department of Anthropology, University of New Mexico (Ph.D. 1991)

Tracey L. Crummett, Department of Anthropology, University of Michigan (Ph.D. 1994)

Kari L. Brandt, Department of Anthropology, University of Michigan (Ph.D. 1996) (co-chair)

Lauren Sarringhaus, Department of Anthropology, University of Michigan (Ph.D. 2012)

Maire Malone, Department of Anthropology, University of Michigan, current

Susan Dykes, Evolutionary Studies Institute, University of the Witwatersrand, South Africa
(examiner Ph.D. thesis)

Field and Museum Work

Member, University of Michigan paleontological expedition to the Bighorn Basin, Wyoming directed by Philip D. Gingerich, summer 1976-77 and 1982-90.

Member, Duke University paleontological expedition to the Fayum, Egypt directed by Elwyn L. Simons, fall 1983, 1985, 1987, 1989, 1991, with expeditions to Wadi el Hitan (Valley of Whales).

Dental research on U.S. human skeletal collections 1979-80: Arizona State University, Smithsonian Institution, University of Alabama.

Dental research on European human skeletal collections 1980, 1985: British Museum of Natural History, Duckworth Laboratory at Cambridge University, Musée de l'Homme, Institut Paleontologie Humaine, University of Edinburgh, University of Copenhagen.

Dental research on African fossil hominids 1985: Kenya National Museums, Transvaal Museum, University of the Witwatersrand.

Dental research on fossil and modern anthropoids 1985-89: British Museum of Natural History, Musée Royal de l'Afrique Centrale, Kenya National Museums, Peabody Museum of Harvard University, Université de Poitiers, University of Washington.

Dental research on radiographic collections 1989: great apes (British Museum of Natural History) and macaques (University of Washington).

Dental research on human dental development at Spitalfields: Natural History Museum, London, May 2005.

Paleontological research at the Steinman-Institut für Geologie, Mineralogie und Paläontologie, Universität Bonn, Germany, Autumn 2006, August 2007-2010.

Paleontological research on Messel fossils at the Forschungsinsitut Senckenberg, Frankfurt, Germany, August 2008

Dental research on Taï Forest chimpanzee collection; Max Planck Institute for Evolutionary Anthropology: November 2006, August 2007, August 2009.

Dental research: pilot study of dental development of newborn mammals; Chicago Field Museum of Natural History, March, 2014.

Participating faculty and host, short field course in Eocene paleontology, for master's students at the University of Bonn, Germany, organized by Dr. Carole Gee, Steinmann Institut, Bonn, 23 August - 9 September, 2016.

Invited Lectures

- Arizona State University, Department of Anthropology; February, 1986.
- State University of New York at Stony Brook, Department of Anatomical Sciences, School of Medicine; October, 1987.
- Swedish Royal Academy of Sciences, Wenner Gren conference “Behaviour of the Earliest Hominids,” Stockholm; March, 1988.
- University College London, Department of Anatomy and Developmental Biology; November, 1988.
- University of Washington, Department of Anthropology, Seattle; March, 1989.
- State University of New York at Stony Brook, Department of Anatomical Sciences, School of Medicine; June, 1989.
- Arizona State University, Department of Anthropology; March, 1990.
- University of Arizona, Department of Anthropology, Tucson; March, 1990.
- Washington University, Department of Anthropology, St. Louis; February 2, 1993.
- Duke University, Department of Biological Anthropology and Anatomy, Durham; February 4, 1994.
- University of Michigan, “Learning in Retirement” Distinguished Lecturer Series; September, 1997.
- Computense University Madrid, conference, “La Vida en la Prehistoria: La Paleobiología de Nuestros Antepasados,” organized by L. Aiello and J. L. Arsuaga. San Lorenzo de El Escorial, Spain; August 10-14, 1998.
- University of Tennessee, Department of Anthropology and class guest lecture, September, 1998.
- Max Planck Institute for Evolutionary Anthropology, “Dental Tissues Workshop,” Leipzig, Germany; September 20-23, 2006.
- International Society of Dental Morphology, special opening lecture “Three Greats of Dental Anthropology,” Griefswald, Germany; August 27, 2008.
- Natural History Museum of Oslo, Speaker in symposium “The Science Behind Ida” (*Darwinius masillae*); November 7, 2009 <HTTP://WWW.NHM.UIO.NO/ENGLISH/COLLECTIONS/IDA/SEMINAR/>.
- Arizona State University Institute of Human Origins and Center for Evolution and Medicine; February 5, 2015 <https://evmed.asu.edu/cem-seminar-b-holly-smith>.
- Dental Anthropology Association Workshop, special closing lecture, “Reading Teeth: 1980-2016,” April 13, 2016, Atlanta, Georgia.
- University of Nebraska-Lincoln, “Teeth are Woven into Life History,” Department of Anthropology, February 23, 2018.
- University of Kent, Skeletal Biology Research Centre, inaugural lecture for the public, scheduled for September 13, 2018, Canterbury, UK.

LIST OF PUBLICATIONS

Links to University of Michigan’s “Deep Blue” will bring up the abstract; the “View/Open” link at the bottom right of the abstract will bring up the entire publication.

Session Chair/Symposium Discussant

Session chair “Paleoanthropology 3: *Homo*,” 59th meeting of the American Association of Physical Anthropologists, Miami, FL, April 6, 1990.

Session chair, “Teeth, Hi-Tech and Romer Prize Session,” 52nd annual meeting of the Society of Vertebrate Paleontology, Toronto, Ontario, October, 1992.

Session chair, “Dental Evolution,” 15th International Symposium on Dental Morphology, meeting in Griefswald, Germany, August, 2011.

Discussant, poster session “Paleodemography,” 82nd annual meeting of the American Association of Physical Anthropologists, Knoxville, TN, April 2013.

Session chair, 16th International Symposium on Dental Morphology, Newcastle, UK, September, 2014.

Session chair, “Evolution in Deep Time,” 17th International Symposium on Dental Morphology, Bordeaux, France, October 4, 2017.

Discussant, poster session, “Tooth wear in evolutionary and biocultural perspectives,” 87th meeting of the American Association of Physical Anthropologists, scheduled for April, 2018 in Austin, Texas.
