

# William Joseph Pestle

Director of Education  
Kelsey Museum of Archaeology  
University of Michigan

## Education

- 2010 Ph.D. Department of Anthropology, University of Illinois at Chicago  
Ph.D. Committee: L. Antonio Curet (chair), Anna Roosevelt, Sloan Williams,  
Patrick Ryan Williams, Holger Schutkowski  
Dissertation: *Diet and Society in Prehistoric Puerto Rico, An Isotopic Approach*
- 2001 MSc with Distinction, Human Osteology, Paleopathology, and Funerary  
Archaeology, School of Archaeological and Environmental Sciences, University  
of Bradford  
Dissertation: *Gender in Early Medieval Weingarten, a Mortuary Analysis*
- 1999 BA with Highest Honors, Classical Archaeology, University of Michigan, Ann  
Arbor, MI.  
Honors Thesis: *The Graves of Seleucia-on-the-Tigris*

## Positions Held

- 2024- Director of Education, Kelsey Museum of Archaeology, University of Michigan.  
2011- Research Associate, Department of Anthropology, Field Museum of Natural  
History.
- 2021-2024 Chair, Department of Anthropology, University of Miami.
- 2017-2024 Associate Professor, Department of Anthropology, University of Miami.
- 2019-2021 Director of Graduate Studies, Department of Anthropology, University of Miami.
- 2017-2021 Director, Latin American Studies Program, University of Miami.
- 2013-2017 Assistant Professor, Department of Anthropology, University of Miami.
- 2011-2012 Post-Doctoral Research Associate, Department of Oral Medicine and Diagnostic  
Sciences, College of Dentistry, University of Illinois at Chicago.
- 2010-2012 Visiting Assistant Professor, Department of Sociology and Anthropology, Lake  
Forest College Lake Forest, IL
- 2007-2010 Graduate Teaching Assistant, Department of Anthropology, University of Illinois  
at Chicago
- 2004-2010 Lecturer-Department of Sociology and Anthropology, Lake Forest College, Lake  
Forest, IL
- 2003-2006 Adjunct Assistant Professor-Department of Oral Medicine and Diagnostic  
Sciences, College of Dentistry, University of Illinois at Chicago
- 2006-2006 Collections Manager II- Department of Anthropology, Field Museum of Natural  
History, Chicago, IL.
- 2004-2006 Contributor-Dental Emergency Medical Readiness Training (DEMRT)  
Center/Laboratory for Strategic Natural Products (LSNP), College of Dentistry,  
University of Illinois at Chicago
- 2000-2006 Collections Manager I-Department of Anthropology, Field Museum of Natural  
History, Chicago, IL.

1996-1999 Assistant to the Registrar-Kelsey Museum of Archaeology, University of Michigan, Ann Arbor, MI.

## Grants and Awards

### *PI/Co-PI*

- 2022-2023 “Assessing Foraging Behaviors and Paleoenvironmental Change among the Earliest Inhabitants of Southwestern Puerto Rico”. Wenner-Gren Foundation Post-PhD Research Grant, (\$19,875).
- 2019-2022 “MRI: Acquisition of a High Resolution X-Ray Micro-Computed Tomography System for Multidisciplinary and Integrated Research and Education,” Major Research Instrumentation, National Science Foundation, (\$329,522).
- 2017 “General survey of the Headquarters Tract, Cabo Rojo National Wildlife Refuge, Cabo Rojo, Puerto Rico,” Oficina Estatal de Conservación Histórica, Puerto Rico (\$40,000).
- 2017 “Cultural Resource Survey of the Headquarters Tract, Cabo Rojo NWR, Puerto Rico,” University of Miami Provost’s Research Award (\$16,980).
- 2015 “Geochemical assessment of chert exchange in ancient Puerto Rico,” University of Miami Provost’s Research Award (\$17,000).
- 2014-2018 “Collaborative Research: The Emergence of Inequality in the Atacama Oases,” Archaeology Program, Division of Behavioral and Cognitive Sciences, National Science Foundation (\$173,068).
- 2014 “El Proyecto Arqueológico Regional de Añasco: Regional Archaeological Prospection in Western Puerto Rico,” University of Miami Provost’s Research Award (\$16,000).
- 2014 “Research, Analysis and Databasing of Emerging High Power Directed Energy Technologies Marketed to the Clinical and Research Communities (FA7014-09-2-0003),” Air Force Office of Scientific Research (\$37,852).
- 2013 “Research, Analysis and Databasing of Emerging High Power Directed Energy Technologies (FA7014-09-2-0003),” Air Force Office of Scientific Research (\$39,215).

- 2011-2012 “Proyecto Arqueológico Regional de Añasco,” Oficina Estatal de Conservación Histórica/State Historic Preservation Office, Oficina del Gobernador/Office of the Governor, Estado Libre Asociado de Puerto Rico/Commonwealth of Puerto Rico (\$35,985). DECLINED
- 2008-9 Lester Armour Graduate Fellowship, Field Museum of Natural History (\$25,000).
- 2006-2010 University Fellowship, University of Illinois at Chicago.
- 2006-2009 “Diet and Social Stratification in Ancient Puerto Rico,” Archaeology Program, Division of Behavioral and Cognitive Sciences, National Science Foundation BCS-0612727 (\$149,720).
- 2005 IPAM/Iraq Museum Education Project, International Partnerships Among Museums, American Association of Museums.
- 2004-2007 “Reconciling the Past: A Catalogue of Scattered Collections,” *Recovering Iraq’s Past* Initiative, National Endowment for the Humanities Grant # PI-500014-04 (\$190,548).
- 2004 “Study of migration and subsistence in three ancient sites in Puerto Rico through bone chemistry and genetic analysis,” Heinz Latin American Archaeology Program, Howard Heinz Endowment (\$7,854).
- 2001-2002 “Archaeological Metals Project-Phase I,” Anonymous Donor to the Field Museum (\$114,000).

*Other roles*

- 2018-2020 “Tinker Foundation Field Research Grants”. Tinker Foundation, (\$30,000), [proposal co-author, member of committee awarding grants to University of Miami students].
- 2016-2019 “LA FRONTERA INTERIOR: Intercambios e interculturalidad en el oasis de Quillagua (Periodo Formativo 1000 ac 600 dc, norte de Chile),” Fondo Nacional de Ciencia y Tecnología; Chilean National Science and Technology Foundation Project 7933035 (amount unknown), [external researcher, performing chemical analysis of skeletal samples].
- 2012-2014 “Desigualdad y diversidad en el Periodo Medio (400-1000 d.C.) de los oasis Atacameños: Una reconstitución bioarqueológica de la dieta y la variación entre ayllus,” Fondo Nacional de Ciencia y Tecnología; Chilean National Science and Technology Foundation Project 1120376 (\$67,100), [external researcher, performing chemical analysis of skeletal samples].
- 2011-2014 “Intercambio y Consumo Conspicuo Funerario en el Río Loa Medio e Inferior (Desierto de Atacama),” Fondo Nacional de Ciencia y Tecnología; Chilean National Science and Technology Foundation Project 1110702 (\$358,250), [external researcher, performing chemical analysis of skeletal samples].
- 2010-2012 “Intertwined Lives: Decoding Migration and Contact Histories in the Making of the Swahili Coast,” Field Museum/IDP Foundation, Inc. African Training Fund (\$14,600), [co-author of proposal, performing chemical analysis of skeletal samples].
- 2005-2010 “Iraq Cultural Heritage Assistance Project,” from United States Department of Defense, HR 2863 (\$1,000,000), [co-author of proposal, provided training for 10 visiting Iraqi archaeologists and museum personnel].

- 2003-2004 “Archaeological Metals Project-Phase II,” Institute of Museum and Library Services (\$46,544), [co-author of proposal].
- 2001 “A Photographic Survey of the Vanuatu Collection at The Field Museum,” Museum Loan Network (Massachusetts Institute of Technology’s Office of the Arts) (\$13,751), [co-author of proposal].

### Exhibitions curated

- 2018 Lead Curator, *Antillean Visions: Maps and the Making of the Caribbean*. Lowe Art Museum, University of Miami.
- 2016 Assistant Curator, *Kay Pacha: Reciprocity with the Natural World*. Lowe Art Museum, University of Miami.

### Archaeological Fieldwork Experience

- 2016- Director, Proyecto Arqueológico Suroeste (PASO), Puerto Rico.
- 2011-2015 Director, Proyecto Arqueológico Regional de Añasco (PARA), Puerto Rico.
- 2010-2014 Field Director, *Proyecto Arqueológico del Centro Ceremonial de Tibes*, Puerto Rico.
- 2008 Archaeological Chemist, *Proyecto Arqueológico Angostura*, Puerto Rico.
- 2003-2014 Osteologist/Field Supervisor, *Proyecto Arqueológico del Centro Ceremonial de Tibes*, Puerto Rico.
- 1998 Field Archaeologist, *Tel Kedesh Archaeological Research Project*, Israel.
- 1997 Osteologist, *Adelphi Human Osteology Project*, Abdera, Greece.
- 1996 Archaeologist, *Leptiminius Archaeological Project*. Lamta, Tunisia.

### Symposia Organized

- Pestle, W.J.**, and J. Ulloa-Hung (Y. Chinique de Armas, Discussant). *Coloring outside the lines: Re-situating understandings of the lifeways of earliest peoples of the circum-Caribbean*. Symposium organized for 89<sup>th</sup> Annual Meeting of Society for American Archaeology, New Orleans, LA, April 17–21, 2024.

### Presented Papers

- Pestle, W.J.**, Laguer-Díaz, C., Schneider, M.J., Jankiewicz, S.E., and C.E. Sherman. Raiders of the lost Arca: An early foraging landscape in Cabo Rojo/Lajas, southwestern Puerto Rico. Paper presented at 89<sup>th</sup> Annual Meeting of Society for American Archaeology, New Orleans, LA, April 17–21, 2024.
- Sabo, A.M., Hubbe, M., Koski-Karell, D., and **W.J. Pestle**. Acknowledging behavior and process in early Caribbean stone tools: The case of the Ortiz Site, Cabo Rojo, Puerto Rico. Paper presented at 89<sup>th</sup> Annual Meeting of Society for American Archaeology, New Orleans, LA, April 17–21, 2024.
- Stone J.H., Rodríguez-Ramos, R., **Pestle, W.J.**, and M.A. Nieves-Colón. Genomic contributions to understanding early Caribbean settlement. Paper presented at 89<sup>th</sup> Annual Meeting of Society for American Archaeology, New Orleans, LA, April 17–21, 2024.

- Valcarcel, M., Musgrave, S., Tale, S., Ghahremaninezhad, A., and **W.J. Pestle**. Linking vertebral trabecular microstructure variation to hominid locomotion, Part I: *Homo sapiens*. Poster present at the 92<sup>nd</sup> Annual Meeting of the American Association of Biological Anthropologists, Reno, NV, April 19-22, 2023.
- Cheverko, C.M., Schrader, S.A., Torres, C.M., **Pestle, W.J.**, and M. Hubbe. Evidence of emerging inequality in the Middle Period San Pedro de Atacama oases using enthesal patterns. Poster present at the 92<sup>nd</sup> Annual Meeting of the American Association of Biological Anthropologists, Reno, NV, April 19-22, 2023.
- McGuire, S.A., Hubbe, M., **Pestle, W.J.**, Sharifi, A., and A. Pourmand. Plumbing New Depths in Industrialization: Anthropogenic Lead Exposure Amongst Individuals from Two English Towns. Paper present at the 92<sup>nd</sup> Annual Meeting of the American Association of Biological Anthropologists, Reno, NV, April 19-22, 2023.
- Sabo, A.M., Koski-Karell, D., and **W.J. Pestle**. ¿Por qué (no) los dos? Investigating simultaneous blade and flake industries at the Ortiz Site, Cabo Rojo, Puerto Rico. Poster presented at 88<sup>th</sup> Annual Meeting of Society for American Archaeology, Portland, OR, March 29-April 2, 2023.
- Van Meter, N., **Pestle, W.J.**, Koski-Karell, D., M. Carden. The Caribbean's First Known Fossil Pendants: Objects of Adornment and Place-Making among the Earliest Inhabitants of Southwestern Puerto Rico. Paper presented at 87<sup>th</sup> Annual Meeting of Society for American Archaeology, Chicago, IL, March 28-April 1, 2022.
- Perez, E.M., Koski-Karell, D., and **W.J. Pestle**. New insights on the earliest inhabitants of southwestern Puerto Rico: Bioarchaeology of the Ortiz site burials. Paper presented at 87<sup>th</sup> Annual Meeting of Society for American Archaeology, Chicago, IL, March 28-April 1, 2022.
- Wenger, S., Wojtal, P., Popenorf, K., Close, H., and **W.J. Pestle**. Snuffs to Reach the Spirit Realm – A Forensic Analysis of Ancient Hallucinogenic Snuffs from the Middle Period of the southern Andes. Paper presented at 87<sup>th</sup> Annual Meeting of Society for American Archaeology, Chicago, IL, March 28-April 1, 2022.
- Jimenez, N., Durga, R., Ramanathan, S.\*, Suraneni, P., and **W.J. Pestle**. Use of Thermogravimetric Analysis to Estimate Collagen and Hydroxyapatite Contents in Archaeological Bone. Poster present at the 91<sup>st</sup> Annual Meeting of the American Association of Biological Anthropologists, Denver, CO, March 24-27, 2022.
- Pestle, W.J.**, Torres, C.M., and G. Pimentel. Los viajeros internodales del Período Formativo en el desierto de Atacama (norte de Chile): agentes y productos. Paper presented at XXII Congreso Nacional de Arqueología Chilena, Puerto Montt, Chile, December 2021.
- Hubbe, M., Torres-Rouff, C., and **W.J. Pestle**. La paleodieta en San Pedro de Atacama durante el Período Medio (~400-1000 CE): Prosperidad, intercambio y cambio cultural. Paper presented at VIII Paleopathology Association Meeting in South America, São Paulo, Brazil, August 2019.
- Pinder, D., Gallardo, F. Cabello, G., Torres-Rouff, C., and **W.J. Pestle**. “An Isotopic Study of Dietary Diversity in Formative Period Ancachi, Atacama Desert, Northern Chile.” Paper presented at 84<sup>th</sup> Annual Meeting of Society for American Archaeology, Albuquerque, New Mexico, April 10-14, 2019.
- Pestle, W.J.**, Torres-Rouff, C., Smith, E.K., and D. Pinder. “Patrones dietéticos regionales en el

- periodo formativo del Río Loa: el rol del consumo en la construcción de nuevas identidades”. Paper presented at XXI Congreso Nacional de Arqueología Chilena, Santiago, Chile, December 3-7, 2018.
- Pestle, W.J.** “Paleodieta en la isla encantada: a model-based reassessment of ancient Puerto Rican dietary practices”. Paper presented at XIV Conferencia Científica Internacional “Antropología 2018”, Havana, Cuba, November 20-23, 2018.
- Torres-Rouff, C., **Pestle, W.J.**, and M. Hubbe. “Una mirada de síntesis a la paleodieta en San Pedro de Atacama durante el Período Medio (~400-1000 dC): Prosperidad, intercambio y cambio cultural”. Paper presented at 15th Congress of the Latin American Association for Biological Anthropology (ALAB), Mayagüez, Puerto Rico, November 1-4, 2018.
- Pestle, W.J.**, and M. Nieves-Colón. “A reassessment of ancient Puerto Rican paleodiet and mobility”. Paper presented at 15th Congress of the Latin American Association for Biological Anthropology (ALAB), Mayagüez, Puerto Rico, November 1-4, 2018.
- Laffoon, J., and **W.J. Pestle**. “Quantitative Paleodietary Reconstruction with Complex Foodwebs: An Isotopic Case Study from the Caribbean”. Paper presented at the 83<sup>rd</sup> Annual Meeting of the Society for American Archaeology, Washington, DC, April 11-15, 2018.
- Pestle, W.J.**, Torres-Rouff, C., and M. Hubbe. “An integrative study of the emergence of social inequality: Bioarchaeological and biogeochemical analyses of the Coyo Oriental cemetery, northern Chile”. Paper presented at the 87<sup>th</sup> Annual Meeting of the American Association of Physical Anthropologists, Austin, TX, April 11-14, 2018.
- Pestle, W.J.** “Teaching Anthropology in a Post-truth World”. Paper presented at the 116<sup>th</sup> Annual Meeting of the American Anthropological Association, Washington, DC, November 29-December 3, 2017.
- Pestle, W.J.**, Torres-Rouff, C., and M. Hubbe. “Modeling dietary variability in Middle Period San Pedro de Atacama, northern Chile”. Paper presented at 86<sup>th</sup> Annual Meeting of the American Association of Physical Anthropologists, New Orleans, LA, April 19-22, 2017.
- Torres-Rouff, C., **Pestle, W.J.**, Pimentel, G., and K.J. Knudson. “Moving across the desert: Investigating the remains of travelers who died traversing the Chilean Atacama”. Paper presented at 86<sup>th</sup> Annual Meeting of the American Association of Physical Anthropologists, New Orleans, LA, April 19-22, 2017.
- Nieves-Colon, M., **Pestle, W.J.**, Benn-Torres, J. and A.C. Stone. “Migration, admixture and genetic continuity in pre and post-contact Puerto Rico”. Paper presented at 86<sup>th</sup> Annual Meeting of the American Association of Physical Anthropologists, New Orleans, LA, April 19-22, 2017.
- Pestle, W.J.**, Torres-Rouff, C., Gallardo Ibanez, F., and G.A. Cabello. “The Interior Frontier: Intercultural Exchange in the Formative Period (1000 B.C.-A.D. 400) of Quillagua, Antofagasta Region, northern Chile”. Paper presented at the 82<sup>nd</sup> Annual Meeting of the Society for American Archaeology, Vancouver, BC, March 29-April 2, 2017.
- Mann, E.M., **Pestle, W.J.**, Ardren, T., Harke, R., and M. Faraldo. “Taking Stock of Shell vs. Seafood: Malacological Resource Utilization on Stock Island”. Paper presented at 73<sup>rd</sup> Southeastern Archaeological Conference, Athens, GA, October 26-29, 2016.
