

WHAT IS ALUMNI CONNECTIONS?

Alumni Connections is a series of conversations between alumni and students hosted at the LSA Opportunity Hub on **select Fridays** throughout the academic year. Whether you are a recent graduate or a seasoned professional, these **one-hour sessions** give students direct access to the expertise of LSA alumni across industries, **virtually or in-person**.

HOW CAN YOU CONTRIBUTE?

1 SHARE YOUR LSA STORY

Share the impact of your U-M LSA experience, how you've put liberal arts into practice, and how your education has guided you throughout your career.

2 OFFER INDUSTRY INSIGHT

Engage in a conversation about liberal arts in your industry and how to find your fit. How to explore company culture? How does identity play a role in your professional life?

3 HELP STUDENTS PREPARE

Whether it's grad school, a gap year, or a full-time job, offer advice on how to navigate life post-graduation. Discuss how the LSA network influenced your professional exploration.

WHAT CAN YOU EXPECT AT A SESSION?

1 AN EAGER AUDIENCE

LSA students are highly responsive to this opportunity. Sessions can be designed as one-on-one meetings or small group conversations.

2 YOU DIRECT THE DIALOGUE

What you talk about with students is completely up to you; examples include the how-tos of climbing the ladder or a deep dive into a specific challenge facing your field. (Students also love time for Q&A!)

3 THEY'D LOVE TO STAY IN TOUCH

Often students ask whether they can reach out after the session with further questions or to stay in touch. That is completely at your discretion—we'll ask in advance if you're comfortable sharing your email.
